[LinkedIn Profile]

Professional Summary

Board-certified internal medicine physician with more than seven years of experience in diverse clinical environments, including hospitals, outpatient clinics and urgent care facilities. Extensive locum tenens background with assignments across urban, rural and underserved areas. Skilled in managing acute and chronic conditions, performing minor procedures, and providing patient-centered care. Proven ability to integrate quickly into new teams and facilities, ensuring continuity of care during transitions, with proficiency in various EMR systems. Active medical licenses in Illinois, Iowa and Wisconsin, with participation in the Interstate Medical Licensure Compact (IMLC). Fluent in English and Spanish, with a strong commitment to serving diverse patient populations.

Clinical Experience

Locum Tenens Internal Medicine Physician

Rural Health Clinic – Decorah, IA

August 2023 – Present

- Delivered comprehensive outpatient care for a predominantly underserved rural population.
- Addressed a wide variety of acute and chronic conditions, emphasizing patient education and preventative care.
- Collaborated with a small team of healthcare providers to optimize patient flow and outcomes.

Locum Tenens Internal Medicine Physician

Metropolitan General Hospital – Chicago, IL

February 2021 – July 2023

- Managed high patient volumes in a fast-paced urban teaching hospital setting.
- Supervised residents and medical students in inpatient and outpatient care.
- Implemented evidence-based protocols, improving patient outcomes in chronic disease management.

Locum Tenens Internal Medicine Physician

Regional Medical Center – Green Bay, WI

June 2019 – January 2021

- Provided hospitalist services, including admissions, rounding and discharge planning.
- Ensured seamless transitions of care for patients transferring between facilities.

- Earned recognition for adaptability and strong communication skills.

Internal Medicine Physician

Riverfront Health Associates – Madison, WI

July 2016 – May 2019

- Delivered primary care services to a diverse patient population, focusing on chronic disease management.
- Championed quality improvement initiatives, leading to enhanced practice efficiency.
- Established long-term patient relationships, ensuring continuity of care.

Skills and Competencies

- Proficient in multiple electronic health record systems (Epic, Cerner, Athenahealth).
- Experienced in managing diverse patient populations, including rural, underserved and geriatric communities.
- Expertise in chronic disease management and acute care.
- Highly adaptable and strong interpersonal skills, with an ongoing commitment to patient education and team collaboration.
